2020 Getting Reimbursed Guide
How to use your Health Reimbursement Arrangement (HRA)
Welcome to Via Benefits!

Dear JOHN SAMPLE,

We’re happy to share that you have qualified for an OPERS Health Reimbursement Arrangement (HRA). Your HRA can be used to seek reimbursements for any eligible expenses you may incur.

Your first contribution in the amount of $250.00 has been made to your HRA and will be available January 31, 2020. This guide will walk you through the basics of how to use your HRA.

Via Benefits is the administrator of your HRA. You can access your account online or get information by phone, including step-by-step support. Our goal is to help you get reimbursed for your eligible expenses as easily and smoothly as possible. Keep this guide as a reference to help you successfully submit expenses for reimbursement.

We’re here to assist you

If you have questions, please call Via Benefits at 1-844-287-9945 (TTY: 711), 8:00 a.m. until 9:00 p.m. Eastern Time.
What is a Health Reimbursement Arrangement (HRA)?

A Health Reimbursement Arrangement (HRA) is an account you can use to get reimbursed for eligible expenses. Your HRA is funded by a monthly contribution you receive from OPERS and is administered by Via Benefits.
WE’RE HERE TO ASSIST YOU

1 MANAGING YOUR HRA

Create your online account
If you haven’t yet created an online account, we recommend doing so at my.viabenefits.com/opers. Creating an online account is easy and allows you to see your plan details, save your personal information (e.g., medications, providers, etc.), adjust your communication preferences, and manage your HRA.

If you need assistance setting up your online account, simply call Via Benefits and a representative will walk you through the process.

Funds & Reimbursements
The Funds & Reimbursements section provides access to the Reimbursement Center, where you can find your HRA information, including your:

- Contribution amount
- Total available balance
- Reimbursement and contribution history

You’ll also find links allowing you to submit expenses online.

Your eligible expenses
For your convenience, a sample list of eligible expenses is included at the back of this booklet. If you can’t tell from the list whether an expense is eligible for reimbursement, contact Via Benefits. If you misplace this printed list, you can access it online at my.viabenefits.com/opers in the Important Messages section under Health Reimbursement Arrangement (HRA), or by searching “eligible expenses” in our Help & Support section.
Create your account

1. Go to my.viabenefits.com/opers. Select Register at the top of the page.

2. Under Create an account, provide all the information requested and follow the on-screen directions. More details are provided on the following pages.

Congratulations! Your Via Benefits account is created.
Signing in and online security for your account

Once your online account is created, you can sign in following these steps:

1. Sign into my.viabenefits.com/opers. You will be prompted to enter your date of birth, the last four (4) digits of your Social Security number, and your email address.

2. A verification code will be emailed to you. Use this code to reset your password and continue to sign into your account.

3. When you sign in, you will get a text message on your cell phone or a call on your landline phone. The message will include a code for you to enter on the Via Benefits website for authentication.

4. Enter this code onscreen where prompted.

Steps three and four will occur every 30 days to help keep your account safe and protect your personal information. If you have questions or need support, please call Via Benefits at 1-844-287-9945 (TTY: 711).
Accessing your HRA

Once you’ve signed in, follow these steps to access and manage your account.

1. Select the **Funds & Reimbursements** tab.
2. Select the **Reimbursement Center** button under the **Funds & Reimbursements** tab.
3. This will open your **Dashboard** providing a snapshot of your account.
We’re here to help

While creating your online account reduces the amount of time you spend on the phone, a Via Benefits representative is always available to help. Simply call 1-844-287-9945 (TTY: 711) for assistance.

2 MANAGING DIRECT DEPOSIT

OPERS requires that you receive your HRA reimbursement by direct deposit into your bank account. This means that you must provide bank account information to Via Benefits to receive your reimbursements.

As a convenience to you, OPERS provides Via Benefits with the bank account information in which you receive your monthly pension benefit. If you need to add or update your bank account information, you can do so using your online account at my.viabenefits.com/opers. To add or update this information by fax or by mail, download the Direct Deposit Authorization Form online (see page 11). You can also call Via Benefits at 1-844-287-9945 (TTY: 711). When prompted, say “funding” to speak to the funding department. Please note that changes or updates to your bank account information take seven to ten business days for verification.

Please note: You must sign up for direct deposit with Via Benefits to keep receiving your HRA reimbursements.
1. Sign in and follow the instructions under “Accessing your HRA” on page eight to navigate to the Reimbursement Center.
2. Select the account holder name and navigate to the Banking Information tab.
4. Enter your bank account. Verify it is correct, then select Save.
During your call with a Via Benefits licensed benefit advisor, you may have been able to choose an Automatic Premium Reimbursement for your medical or prescription drug premiums. If you’re satisfied with the way you receive reimbursements, no action is necessary.

3 MANAGING REIMBURSEMENTS

There are two methods by which you can get reimbursed for medical and prescription drug premiums on an ongoing basis: Automatic Premium Reimbursement and Recurring Reimbursement. The chart on the following pages assists with understanding the advantages of each type of reimbursement method.

If you prefer to fill out a Direct Deposit Authorization Form manually, you can mail or fax it to Via Benefits. The address and fax number are printed at the top of the Direct Deposit Authorization Form. To download this form:

1. Sign into my.viabenefits.com/opers.
2. Select the Funds & Reimbursements tab near the top of the page.
3. Select the Personalized Forms tab near the center of the page. Once the Personalized Forms tab is open, you will see a list of forms that are available to you.

If you have any questions, please call Via Benefits and say “funding” when prompted.
<table>
<thead>
<tr>
<th>Recurring Reimbursement</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>What is it?</strong></td>
</tr>
<tr>
<td>- This option allows for monthly reimbursement of eligible premiums by completing and submitting a <em>Recurring Premium Reimbursement Request Form</em> online, by mail, or by fax each calendar year.</td>
</tr>
<tr>
<td>- This provides a good option for insurance carriers that don’t offer Automatic Premium Reimbursement.</td>
</tr>
<tr>
<td><strong>What are the considerations of each type of reimbursement?</strong></td>
</tr>
<tr>
<td>- You need to complete a new <em>Recurring Premium Reimbursement Request Form</em> each calendar year. It doesn’t automatically renew.</td>
</tr>
<tr>
<td>- You need to complete a new <em>Recurring Premium Reimbursement Request Form</em> if your premium changes during the calendar year.</td>
</tr>
<tr>
<td><strong>Which premiums can be reimbursed?</strong></td>
</tr>
<tr>
<td>- Medical, prescription drug, vision, and dental.</td>
</tr>
<tr>
<td>- Please note: Recurring Medicare Part B Premium Reimbursement requires a different form.</td>
</tr>
<tr>
<td><strong>How long does it take for me to get my first and subsequent reimbursements?</strong></td>
</tr>
<tr>
<td>- It takes about 10 business days for the <em>Recurring Premium Reimbursement Request Form</em> to be processed.</td>
</tr>
<tr>
<td>- You’ll receive your reimbursement the same time every month.</td>
</tr>
</tbody>
</table>
## Automatic Premium Reimbursement

- This option allows for automatic reimbursement of monthly premiums without manually submitting a reimbursement request form each year.
- This option is available for you to select during your enrollment call if offered by your insurance carrier. Where available, you may activate at any time.

### Considerations

- You don’t need to use any forms – just set it and forget it. If you keep the same plan next year, Automatic Premium Reimbursement continues.
- You don’t need to do anything if you remain enrolled with the same insurance carrier (even if your premium changes).
- You may be reimbursed at varying time frames, depending upon the insurance carrier’s process.
- This isn’t intended to be the quickest way to receive your reimbursement, but it is convenient.

- Medical or prescription drug, but only if offered by your insurance carrier.

---

### Which premiums can be reimbursed?

- Medical, prescription drug, vision, and dental.
- Please note: Recurring Medicare Part B Premium Reimbursement requires a different form.
- Medical or prescription drug, but only if offered by your insurance carrier.

---

### How long does it take for me to get my first and subsequent reimbursements?

- It takes about 10 business days for the Recurring Premium Reimbursement Request Form to be processed.
- You’ll receive your reimbursement the same time every month.
- It takes two to three months to receive your first reimbursement.
- Via Benefits can’t reimburse you until they receive notice from the insurance carrier.
- You’ll receive subsequent reimbursements every four to six weeks.
Now that you have qualified for your reimbursement account, understanding the process will help you receive your reimbursements as soon as possible.

The process of getting reimbursed works like this:

1. **Pay for eligible expenses**
   This payment is made directly to your insurance carrier or health care provider. To learn which expenses are eligible, see pages 32-34.

2. **Retain your receipts and supporting documentation**
   Your insurance carrier or health care provider will provide proof of payment in the form of premium statements or other supporting documentation. Retain these documents to include with your reimbursement request. See the various supporting documents listed on pages 17-20.

3. **Request reimbursement from Via Benefits**
   Submit reimbursements online for the fastest, safest, and easiest way to be reimbursed. You can also submit by fax or by mail. Follow step-by-step instructions found on pages 23-25.

   Sign up for Automatic Premium Reimbursement, when available, or submit a *Recurring Premium Reimbursement Request Form*. See the premium reimbursement comparison chart on pages 12-13.

4. **Via Benefits approves your request and provides reimbursement**
   Direct deposit is required for the reimbursement process. You’ll receive an *Explanation of Payment* (EOP) via your chosen method (email or mail). Learn more about your EOP letters on pages 27-29.
Submitting the correct form saves time

Please make certain your form is appropriate for the requested reimbursement. This will ensure faster processing time and improved accuracy.

Each form has a specific list of supporting documentation that must be included on the front. The back of each form also provides details about the supporting documentation you need to include.

Refer to the sections with checkboxes on the front of the form called “Helpful reminders” and “Your supporting documentation must contain these items:”

<table>
<thead>
<tr>
<th>Helpful reminders:</th>
<th>Your supporting documentation must contain these items:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Verify your name and address on the form</td>
<td>Date of service (e.g., 01/15/2019)</td>
</tr>
<tr>
<td>Read and review this form before you fill it out</td>
<td>Expense type (e.g., Medical or service description)</td>
</tr>
<tr>
<td>Complete, sign, and date this form before sending</td>
<td>Provider/carrier (e.g., Dr. Smith, AARP)</td>
</tr>
<tr>
<td>Make copies of your supporting documentation</td>
<td>Individual serviced (e.g., John Doe)</td>
</tr>
<tr>
<td>Mail or fax your completed form and supporting</td>
<td>Amount (e.g., $100.00)</td>
</tr>
<tr>
<td>documentation</td>
<td>Proof of payment (e.g., Explanation of Benefits, itemized receipts)</td>
</tr>
</tbody>
</table>

You may submit reimbursement requests (and supporting documentation such as statements or receipts) online, by fax, or by mail. Make sure you sign the Reimbursement Request Form and keep your original receipts for your records.

Each reimbursement request form has a specific list of supporting documentation that must be included. Please refer to that list as you prepare and complete forms for submission.

Please remember to only submit copies of your original receipts. Keep the originals for your records.
What type of supporting documentation is needed for reimbursement requests?

Without supporting documentation, your request may be denied. A list of important documents to watch for and save are detailed on the following pages.

To ensure a smooth reimbursement process, be sure your supporting documentation contains these items:

- Your name
- Date of service
- Expense type
- Provider/carrier
- Individual serviced
- Amount
- Proof of payment

Without these items, your request will be denied until this information is submitted.

Save documents delivered electronically in a place you will remember for later reference.
These three types of documents can be used as supporting documentation for eligible out-of-pocket expenses

1. Invoice from a Provider
A health care provider is anyone who provides health care services to you. He or she can be a physician, dentist, surgeon, podiatrist, acupuncturist, optician, or a hospital at which health services are provided. The invoice is typically offered to you at the time of service, and serves as a receipt of any payment you made during your visit.

![Invoice Example]

2. Prescription Drug Receipt
An acceptable receipt is one from the pharmacy or mail-order pharmacy for your covered medications.

![Prescription Receipt Example]
3. **Explanation of Benefits (EOB)**

Provided by your health insurance carrier once they have paid their portion of the fees, an Explanation of Benefits (EOB) will typically include all the required information for out-of-pocket costs. These statements contain information about the cost of the expense, the amount covered by your plan and the remaining balance, which is your out-of-pocket cost.

If you haven’t received your EOB within 30 days of your date of service, contact your insurance carrier to request one.

**Remarks:**

1. Billed amount is higher than the maximum payment insurance allows. The payment is for the allowed amount.
For Medicare Part B Reimbursement

Social Security Administration Benefit Award/Proof of Income Letter

Every year, usually in October or November, the Social Security Administration (SSA) sends a benefit award letter documenting that you receive Social Security benefits. This letter is sometimes referred to as a Budget Letter, Benefits Letter, Proof of Income Letter, or Proof of Award Letter.

You can also use a monthly or quarterly statement from the Centers for Medicare and Medicaid Services (CMS). The statement from CMS must state the recipient’s name, indicate that it is for Medicare Part B, and list the amount of the Medicare Part B premium.
Proof of Coverage

Carrier Proof of Coverage or OPERS Health Care Premium Receipt

If you’re enrolled in a Medicare plan, medical and/or prescription drug plan, you’ll receive a Proof of Coverage letter each year from your insurance carrier, usually in the fall. The letter provides details of your coverage and how much you pay. You need to submit a copy of the Proof of Coverage when you request reimbursement for your premiums.

OPERS mails a Health Care Premium Receipt each December that documents the OPERS group plan premiums that will be deducted from your pension benefit. This document is sent in coordinated timing with Via Benefit’s annual December mailing of the Recurring Premium Reimbursement Request Form. It’s also available upon request through your OPERS online account at www.opers.org or by calling OPERS at 1-800-222-PERS (7377). It reflects the enrollment for the following calendar year for all plans you or your dependents are enrolled in through OPERS. This is the only documentation accepted for premiums deducted from your OPERS pension.

Please note: Open enrollment statements aren’t an acceptable proof of enrollment and will be denied.
Vision or dental reimbursements with no EOB

If you don’t have vision or dental insurance but you have an out-of-pocket cost you want reimbursed, write on the body of the reimbursement request form, “No vision/dental insurance/no EOB.”

Make sure to include a copy of the receipt for the request. This will help prevent your request from being denied. Statements from the vision or dental provider shouldn’t say “reimbursement request submitted to insurance” or “insurance pending” – this will also cause reimbursement requests to be denied.
How to Submit for Reimbursement

Online, by Mail, or by Fax

You can submit your reimbursement request online, by mail, or by fax. With all three methods of submitting requests, you must make certain you include all the supporting documentation needed to verify the request. When you submit a request by mail or fax, you must include a completed and signed reimbursement request form.

If you use the online submission method and choose to fax supporting documents, please make sure to use the fax cover sheet provided online to send your request. If you mail your forms and documents, make and submit copies. **Don’t mail the originals.**
1. Sign into my.viabenefits.com/opers and follow the instructions under “Accessing your HRA” on page eight to get to the Reimbursement Center.

2. On the Dashboard, select either the Out-of-Pocket Reimbursement or Premium Reimbursement button.

3. Review the description of itemized receipts for submitting supporting documentation and select the Continue button.

4. Fill out the necessary information.

Instructions continue on the next page.
Continued from previous page.

5. In the **Itemized Receipt** section, you can upload any supporting documentation by selecting the **Upload File** button, or you can mail or fax your supporting documentation by selecting the **Fax or Mail** button.

6. Select the **Review & Submit** button to review the information you entered. On the following page, select the **Submit** button to complete your reimbursement request.

---

**Submit Supporting Documentation Online**

Your supporting documentation must be a PDF file and smaller than 10 megabytes to successfully upload. Most smartphones or desktop scanners can create the files, which you may email to yourself, download, and attach to your request. Should you have any trouble uploading or submitting documentation, please contact Via Benefits for assistance.
Submit Requests by Mail
A paper reimbursement form was included with this mailing, which includes the mailing address. Follow the instructions on the Reimbursement Request Form to ensure you provide all required information. If you have questions, call Via Benefits for help.

The paper forms may be photocopied, or you may print additional forms from your Via Benefits account online. You may also request them by calling Via Benefits. Remember, these forms are personalized, so please don’t share them. Follow instructions carefully and be sure to include supporting documentation for your request. Don’t mail original receipts or statements.

Submit Supporting Documentation by Fax
To submit your supporting documentation by fax you must use the Via Benefits cover sheet, which may be printed from your online account.

To create your cover sheet:

1. Follow directions to Submit Reimbursement Requests Online on page 23.

2. Once you have reviewed and submitted your reimbursement request, select the Print Reimbursement Forms button.

3. The fax cover sheet will open in a new tab in your browser with all your expense details.

4. Print or download the fax cover sheet and fax it back to us with your supporting documentation and a signed reimbursement form.
Expenses may not be approved because of missing information or an incorrectly completed form. If your expense wasn’t approved, you can take action by following the instructions in the Explanation of Unpaid Expenses (EOUE) you receive.

The most common reasons expenses are denied are because they are ineligible for reimbursement according to your plan, or were submitted outside your coverage period. If your expense is denied, you can appeal the denial.

We’ll work with you to identify the reason an expense was denied or not approved. If you need help from a Via Benefits representative, please contact us at 1-844-287-9945 (TTY: 711) and say “funding” when prompted.
UNDERSTANDING YOUR EOPS AND EOUES

Explanations of Payment (EOPs) and Explanations of Unpaid Expenses (EOUEs) provide details about expenses that have been paid, not approved, or denied. The information in these letters is available electronically when you sign into your online account, or you can choose to receive EOPs or EOUEs in the mail. You may change your delivery method by calling Via Benefits or signing up for email notifications.

- If a reimbursement request is denied or not approved, the EOP or EOUE will list the reason. You may need to take action, such as providing additional supporting documentation.

- If you don’t have a sufficient balance in your HRA, Via Benefits will reimburse as much of the reimbursement request as possible. The remaining amount will be paid when your HRA balance is sufficient.

- If you’ve signed up for Automatic Premium Reimbursement, you’ll see details about your reimbursement requests on the EOPs and EOUEs.
When you receive an EOP and/or EOUE, you’ll notice a summary section in the top right corner that includes your available HRA balance and reimbursement summary. The EOPs and EOUEs include table(s) providing details about the status of your expenses, and related information regarding:

- **Date of Service**: The date service was provided, not the date an expense was paid.
- **Expense ID**: Each expense has an ID assigned to it so you can track it as it’s being processed.
- **Account**: The name of your reimbursement program.
- **Type**: The category of expense for which you’re being reimbursed.
- **Provider/CARRIER**: The name of the provider or carrier that provided the service.
- **Amount Paid**: The amount you paid for the service.

**Explaination of Payment**

**Action Required**
Some of these expense(s) are not approved, but you can take action. Please read this letter carefully to learn how you may be able to resolve unpaid expense(s). Each expense has an ID assigned to it so you can track it as it's being processed.

**We're here to assist you**
If you have questions, please call Via Benefits at 1-844-287-9945 (TTY: 711), Monday through Friday 8:00 a.m. to 9:00 p.m. Eastern Time.

---

If you have any questions about your EOP or EOUE, Via Benefits will be happy to review it with you.
Overpayments

An overpayment is reimbursement for an expense you weren’t eligible to receive. This usually occurs when you’re mistakenly reimbursed for an ineligible expense, or you were reimbursed during a time period in which you weren’t eligible for your HRA.

If you have an unresolved overpayment, Via Benefits will send you a reminder letter or email. Instructions for how to resolve the overpayment are included in these communications.

If you have questions about an overpayment, please contact the Via Benefits and speak with a representative about your options.
Granting your Estate Access to your HRA

In order to best take advantage of your HRA, we recommend establishing a family member or loved one as an authorized representative. Making a caregiver an authorized representative grants them permission to access your Via Benefits account. If something should happen to you, your authorized representative can help handle your affairs.

There are three levels of access you can grant to a caregiver.

- **Authorization to Release Personal Information (ARPI) - FULL.** Allows sharing of protected health information and allows the authorized representative to submit any required documentation on your behalf. Reimbursement forms can be requested and signed by the Benefit Recipient or authorized representative. In addition, an authorized representative with full privileges can call Via Benefits on your behalf and discuss your account.

- **Authorization to Release Personal Information (ARPI) - LIMITED.** Allows sharing of protected health information with the authorized representative but prevents the representative from making changes to the account. This is for informative purposes only.

- **Power of Attorney (POA).** Allows someone to not only manage your HRA on your behalf, but also to make health plan enrollment decisions for you.

Provide authorization by contacting Via Benefits. No paperwork will be needed. If you are unable to come to the phone, please have your caregiver contact Via Benefits at 1-844-287-9945 (TTY: 711), 8:00 a.m. until 9:00 p.m. Eastern Time.

These authorizations are voluntary and remain in effect until you revoke, cancel, or change them. The authorizations will remain in place after your death unless Via Benefits is otherwise notified.
This is an overview of eligible expenses that are allowed for reimbursement under your HRA.

**Premium Expenses**
- Medical
- Prescription Drug
- Dental
- Vision
- Medicare Part A
- Medicare Part B
- Long Term Care

Generally, you’ll be billed and pay your insurance carrier’s premiums to the insurer on a monthly basis before requesting reimbursement. You may not submit a reimbursement request for Medicare Part A if OPERS has reimbursed you in full. Spouses who have been partially reimbursed for their Medicare Part A premiums can submit the remainder to Via Benefits for reimbursement.

**Out-of-Pocket Expenses**
These may include copayments, deductibles and coinsurance payments. Other eligible expenses are defined as those incurred while paying for **Medical, Pharmacy, Dental** and **Vision** services as described in Section 213 (d) of the Internal Revenue code. For more information see the IRS publication 502 (available at www.irs.gov/forms-pubs/about-publication-502), the Summary Plan Description (SPD) provided by OPERS, or call Via Benefits.
Sample List of Eligible Out-of-Pocket Expenses

The following list is a sample of eligible expenses for reimbursement based on IRS Code Section 213(d). It isn’t a complete list and is subject to change without notice. The list includes some common out-of-pocket health care expenses that may not be eligible for reimbursement under your specific plan. For more information on eligible expenses covered by your specific program refer to your Summary Plan Description (SPD) or contact Via Benefits.
