

2021 Via Benefits Enrollment Guide For Your Additional Medicare Coverage

Dear Participant,

SAG-AFTRA Health Plan has selected Via Benefits Insurance Services to help you find and enroll in new individual Medicare coverage to replace your current plan. After December 31, 2020, you will no longer be covered by the SAG-AFTRA Health Plan plan and could risk a gap or loss in coverage.

Introducing Via Benefits

Via Benefits is not an insurance carrier. We are a resource operating the country's oldest and largest private Medicare insurance marketplace. We help you **Prepare, Review and Enroll** in the Medicare Advantage, Medigap, Part D prescription drug, dental, and vision coverage that is right for you. Our services are free for you and your Medicare-eligible spouse, with one-on-one support and plenty of online tools to ensure you choose a plan that meets your needs.

Included in this mailing

The enclosed 2021 Enrollment Guide introduces our services, explains how to **Prepare, Review and Enroll** in a plan and indicates what to expect after you have enrolled. Please review it carefully before you start the enrollment process. We encourage you to write down any questions that arise as you review this guide.

Ensure continued coverage

To avoid a gap in your coverage, complete your enrollment by December 31, 2020. As long as you enroll in a plan by the last day of your current plan, you are guaranteed coverage regardless of your current health status.

We look forward to helping you make an informed and confident enrollment choice.

Sincerely,
Via Benefits

Online: my.viabenefits.com/sagaftrahp

Phone: 1-833-981-1280 (TTY: 711)

Hours: Monday through Friday, 5 a.m. to 6 p.m. Pacific Time

IMPORTANT!

If you think you may qualify for active coverage under the SAG-AFTRA Health Plan, please wait until the evaluation by the Health Plan is complete in mid-October before enrolling with Via Benefits.

Your coverage is ending

Enroll online or contact Via Benefits to complete your enrollment by December 31, 2020.

To avoid a lapse in coverage, you must complete your enrollment in a new health plan.
